CHIEF REPORTS:

District Chief – see attached report October, 2025.

1. There have been discussions regarding On-Semi and they will continue negotiations with the Town and On-Semi. He has reached out to the manager of Emergency Response and met with him. Going over his head to Corporate seemed to help. It appears that Corporate was not aware of the changes. They still have the truck from East Fishkill and their other truck is being repaired. He is not sure what will happen once it comes back. Corporate is now discussing having four people per shift and not eliminating Emergency Response. Supervisor D'Alessandro and Chief Jackson are still pushing for a meeting with Corporate at the Town Hall. As of that last meeting, Emergency Response had responded to 433 alarms for the year, with a large portion of them being HazMat incidents. Vice-Chairman Shultis thanked Chief Jackson for his continued work on this. Commissioner Dixon thanked him as well and asked that any information or communication he has copies of get forwarded to the office for the files. Commissioner Jodlowski asked if MOPAR is open and operating and Chief Jackson said yes. They are looking to schedule a preplan visit.

1st Assistant Chief – See attached report for October, 2025.

Chief T. Jackson stated Frito-Lay still does not have a startup date set. The Building Inspector has been very helpful with the ongoing alarms and they are working on getting the issues fixed.

Commissioner Dixon wished everyone a Happy Thanksgiving.

ADJOURNMENT:

Motion to adjourn was made at 8:20 PM by Commissioner Zboinski and seconded by Commissioner Freer.

Respectfully Submitted,

Julie J Beyer
Secretary/Treasurer
