2. September 12 will be Appreciation Day. There will also be a 911 ceremony that day and Chief Jackson has informed the Town and invited them. He will be working with 39-3 on the plans for this. There will be no competitive games that day. He will do that on another night.
3. He has received a request from Matt Cady to assist Sparrow's Nest at both EF Provisions locations on Saturday by supplying a fire truck.
4. Chief Jackson requested an executive session for two personnel issues.

1st Assistant Chief – See attached report for May 2026.

1. Chief Jackson asked about the list of repairs from inspection. Chairman Dixon stated he thought each commissioner in charge of each piece of equipment would put tickets in for items. They will work with the company chiefs to get things up to date.

Chief Conti stated Steven Storms is back from military leave and would like to be active again. He did sign up to get his physical done. There has been no update on the member who submitted a claim 4 months after the possible injury. He also spoke about 81 and needs some direction on what ladder bracket to purchase based on what ladder the District wanted on it. It was decided Chief Jackson will work with getting the ladder they want.

39-4 stated his extinguishers are out of date. Secretary Beyer will call Haight and schedule the inspection.

39-6 stated his officers have asked for an update on the light tower on 39-34. Chairman Dixon stated it will be looked at when it goes in for service.

Station 2 President Cummaro stated the cell tower project looks like it will be moving forward, so if the Fire District is interested, now is the time to reserve their spot.
